# Job Description

A VVI Video Editor/Videographer is able to collaborate closely with our talented creative development and client service teams to produce effective marketing solutions for our clients.

### OBJECTIVES:

- Deliver work that creates success for our clients
- Work with creative team to develop marketing solutions
- Properly prepare digital media files for a variety of distribution channels
- Be accountable on projects for budget and deadlines
- Attend meetings and collaborate with the creative team
- Opportunity to grow within the company

### EDUCATION & REQUIREMENTS

Associate or Bachelor Degree in a field related to Mass Communication, Animation/Production, or Marketing and a preference of at least 1 year of practical video production experience.

### VVI IS A SUBSIDIARY OF VERN EIDE MOTORCARS

#### Our Core Values

Faith • Courage • Grace • Excellence • Integrity

### 10 CHARACTERISTICS OF THE EIDE EFFECT

1. We know that the little things count
2. We care about the greater good
3. We hire and employ integrity
4. We act like we are being watched
5. We find the white when others see gray
6. We mess up, we fess up
7. We stay the course
8. We keep our word
9. We are honest but modest
10. We create a culture of trust

### JOB SKILLS & CAPABILITIES REQUIRED:

- Successful completion of related education and/or 1 year workplace experience
- Proficient in Adobe Creative Suite/Creative Cloud with priority performance in Premiere Pro, Audition, Photoshop, and some ability in After Effects
- Great ears for audio editing, music selection, sound effects, final mix, and accuracy to the script
- Studio & field skills in camera operation, audio, and lighting techniques
- Solid sense of composition in the camera and in the edit
- Positive influencer, strong team player, and independent problem solver
- Excellent verbal and written communication skills
- Well organized with good time management skills
- Attention to detail, accuracy, and consistency in maintaining brand standards
- Ability to work well under tight deadlines and manage projects independently
- Open to collaborative critique from a supportive team or project leader
- Eagerness to learn new technologies, tackle new challenges, and grow professionally
- Definitely are cool with wearing many hats - never saying "that's not my job"
- Loves technology & camera/grip gear
- Always demonstrates integrity and believes in the vision of our company

### BONUS:

- Creative writing and/or journalism/reporting abilities
- After Effects advanced proficiency
- Music - player/performer or appreciator

VVI is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.
